

The Leverdale Hotel is situated on the seafront at North Shore overlooking lovely cliff walks and miles of glorious sands with views to the Lake District and North Wales. The regular tram service is just across the road and runs the length of the coast from the Pleasure Beach in the South to Fleetwood in the North, with stops at all the major attractions in between.

Leverdale Hotel

A warm and friendly welcome awaits you at the Leverdale Hotel. We make every effort to ensure your holiday is a happy one.
